

A photograph of two women, one white and one Black, facing each other in profile. The white woman is on the left, looking towards the right. The Black woman is on the right, wearing a yellow and black patterned headscarf and looking towards the left. They are both looking at the text in the center.

Do you know the symptoms of cervical cancer?

Bleeding: during or
after sex or between periods

.....
Post menopausal bleeding

.....
Unusual vaginal discharge

.....
Pain during sex

.....
Lower back pain

If you have any of these,
talk to your GP as soon
as possible.
