

National Diabetes Audit:

helping to improve diabetes care

This diabetes clinic is taking part in an important national project about diabetes care and treatment in the NHS. The project is called the National Diabetes Audit (NDA).

To take part, your diabetes clinic will share information about your diabetes care and treatment with the NDA. The type of information, and how it is shared, is controlled by law and enforced by strict rules of confidentiality and security.

Taking part in the NDA shows that this diabetes clinic is committed to improving care for people with diabetes.

**Important
Patient
Information**

If you do not want your information to be used, please inform the receptionist, your doctor or nurse. This will not affect your care.

More information is available – please ask a member of staff for a leaflet.
