

ST THOMAS MEDICAL GROUP

ST THOMAS and EXWICK HEALTH CENTRES

Would you like to have a say about the services provided at St Thomas Health Centre and/or Exwick Centre?

We are hoping to form a Patient Participation Group, comprising of patients and members of staff. The Group’s objective would be to collect the views and opinions of patients.

The Group would meet three or four times a year to identify areas that they identify need addressing, the content of surveys to be circulated to patients and, when they have been analysed, the results of an annual survey. An Action Plan will then be agreed for the coming year. Alternatively, you could take part by joining the group via the internet to communicate your views.

If you think you might be interested in joining our Patient Participation Group, please complete the tear off slip below and return it to the Health Centre.

Alternatively you can email us at stthomas@nhs.net or log on to our website, www.stthomasmedicalgroup.co.uk and click on Join Our Patient Group in the bottom right hand corner.

We look forward to hearing from you!
