

**ST THOMAS MEDICAL GROUP**

**ST THOMAS and EXWICK HEALTH CENTRES**

Would you like to have a say about the services provided at St Thomas Health Centre and/or Exwick Centre?

We have a Patient Participation Group, comprising of patients and members of staff. The Group's objective is to collect the views and opinions of patients.

The Group meet a couple of times a year to identify areas that need addressing, the content of surveys to be circulated to patients and, when they have been analysed, the results of an annual survey. An Action Plan is then agreed for the coming year. Alternatively, you could take part by joining the group via the internet to communicate your views.

If you think you might be interested in joining our Patient Participation Group, please complete the tear off slip below and return it to the Health Centre.

Alternatively you can email us at [stthomas@nhs.net](mailto:stthomas@nhs.net) or log on to our website, [www.stthomasmedicalgroup.co.uk](http://www.stthomasmedicalgroup.co.uk) and click on Join Our Patient Group in the bottom right hand corner.

We look forward to hearing from you!
