

Comments received from PRG Members for our February Meeting:

On Line Members:

am a bit concerned about car parking at Exwick, The car park is full and only about 3 people in the waiting area.

* * *

I have tried to get replacement batteries for my hearing aid, but whenever I go to Exwick for them, I am informed they are waiting for them to come in. This has happened at least 3 times.

Postal Members:

How can we make the Surgery more accessible for visually impaired people/guide dog owners?

* * *

Rare genetic disease – how can patients get more help from GPs
